## Lennox G61V: Up to 95% AFUE The Quietest Furnace You Can Buy – Now One of the Most Efficient!

### INTRODUCTION

Lennox is pleased to announce the addition of 3 new G61V models to its flagship, *Dave Lennox Signature Collection* product line!

At 95% AFUE, these gas furnaces are among the most efficient in the industry, qualifying for a \$150 U.S. energy efficiency tax credit that is available to homeowners during 2006 and 2007.

*Lennox G61V:  
The Quietest  
Furnace You Can  
Buy – Now One of  
the Most Efficient!*

### MODEL OFFERING
